

Enjoy A Lifetime Of White Teeth & A Bright Smile

About our whitening offer. . .

When you come to our office for our initial examination, x-rays and cleaning, we offer you custom tooth whitening (bleaching) trays and materials for a one-time enrollment fee of \$99. Then, at each recommended preventative visit, we will give you a complimentary touch up kit of toothy bleaching gel. This ensures that you will be able to keep your teeth bright and beautiful for life.

All we ask in return is:

- **You keep your six month re-care dentist visits current.** Your long term dental health is as important to us as it is to you. Our patients have found that these six month visits help greatly reduce emergencies.
- **Provide at least 24 hours notice if you need to cancel or change an appointment.** In order to provide exceptional services like *Whitening for Life™* to all our patients, we ask that you give us the courtesy of advance notice to schedule changes.
